Artist's book

In collaboration with the American illustrator Johan Olander, Philippe Parreno has created this children's book. Sixteen monsters are presented, described, and illustrated. In the form of a fable written by the artist, the parade of monsters confronts the reader with figures such as Propaganda Rabbit, Beamer, Audiotron, and Reality.

Designed by M/M, the book is published with the Centre Pompidou, Paris; the Kunsthalle Zürich, Zurich; the Irish Museum of Modern Art, Dublin; and the CCS, Bard College, New York.

French edition by the Editions du Centre Pompidou, Paris.
