Comprehensive monograph

The Dutch artist Erik van Lieshout works with video installations, paintings, and drawings. With his acute powers of observation van Lieshout analyzes day-to-day reality in our current, confusing times. In a dizzying game of political correctness and incorrectness, he provides razor-sharp comments on sociocultural reality.

This book is the artist's first comprehensive monograph, published on occasion of his exhibitions at the Museum Boijmans Van Beuningen, Rotterdam, the Kunsthaus Zürich, and the Lenbachhaus, Munich.
